

FACTS	WHAT DOES WAYPOINT WEALTH MANAGEMENT, LLC DO WITH YOUR PERSONAL INFORMATION?	
Why?	Financial advisory companies choose how they share your personal information. Federal law gives consumers the right to limit some but not all sharing. Federal law also requires us to tell you how we collect, share, and protect your personal information. Please read this notice carefully to understand what we do.	
What?	The types of personal information we collect and may share depend on the services we provide to you. This information can include: • Contact information • Social Security number • Income-related information • Account information, such as balance and transaction history • Assets, investment experience, risk tolerance, and account information • Tax information • Payment history • Retirement assets, checking account information, and employment information When you are no longer our client, we continue to share your information as described in this notice.	
How?	All financial advisory companies need to share customer's personal information to run their everyday business. In the section below, we list the reasons financial advisory companies can share their customer's personal information; the reasons Waypoint Wealth Management, LLC chooses to share; and whether you can limit this sharing.	
Reasons we can share your personal information	Can Waypoint Wealth Management share?	Can you limit this sharing?

Who we are

Who is providing this notice?

Waypoint Wealth Management, LLC

What we do

How does Waypoint Wealth Management protect my personal information?

To protect your personal information from unauthorized access and use, we use security measures that comply with federal law. These measures include privacy safeguards and secured files and office space.

How does Waypoint Wealth Management collect my personal information?

We collect your personal information, for example, when you

- open an account and/or give us your income information
- tell us about your investment or retirement portfolio
- deposit or transfer money
- seek financial advice, tax advice or investment advice
- provide employment information
- provide account information
- give us your contact information or pay us via check
- make a wire transfer or money movement authorization
- share your government-issued ID or your driver's license
- enter into an advisory contract or service agreement
- visit our website

When you visit our website, cookies may be used to help us understand your preferences based on previous or current site activity, which enables us to provide users with improved services. We also use cookies to help us compile aggregate data about site traffic and site interaction so we can offer better site experiences and tools in the future. Cookies may also be used by third parties to target advertising on other sites based on users' online activity. We also collect your personal information from other third parties (e.g., our affiliates, or custodians of your accounts).

Why can't I limit all sharing?

Federal law gives you the right to limit only:

- sharing for affiliates' everyday business purposes – information about your creditworthiness
- affiliates from using your information to market to you
- sharing for nonaffiliates to market to you

State laws and individual companies may give you additional rights to limit sharing. See below for more on your rights under state law.

Definitions

Affiliates

Companies related by common ownership or control. They can be financial and nonfinancial companies.

- Waypoint Wealth Management does not have any affiliated companies.

Nonaffiliates

Companies not related by common ownership or control. They can be financial and nonfinancial companies.

- Waypoint Wealth Management does not share personal information with nonaffiliates for the purpose of marketing to you.

Joint marketing

A formal agreement between nonaffiliated financial companies that together market financial products or services to you.

- Waypoint Wealth Management does not jointly market.
